

Visitor Policy

NorthBay is pleased to extend in-person visitation to all patients. Two visitors are welcomed at a time, for up to four visitors per day.

Screenings

All visitors are screened for COVID and flu

Mask

Visitors are required to wear clean, non-vented and dry face masks while in our facilities

Support Persons

For laboring or new moms, pediatrics or patients with disabilities, two persons may be present

Hospital

Inpatient visitation hours are 9 am – 7 pm daily

Emergency Department

Visitation hours are for the time the patient is present

Mother/Baby

One support person is allowed to stay 24/7 with a patient who has just delivered.

Surgery Center

Visitation hours are for the time the patient is present

Pre-Op

Up to two visitors for the time the patient is present

Recovery

One visitor for the time the patient is present

Thank You For Your Cooperation

NorthBay Healthcare adjusts visitor guidelines for infection control and incorporates the California Department of Public Health (CDPH) recommendations, based on the county's COVID status.
